

## ***LITERACY SERVICES***

Smoky Hill ESC provides a wide variety of literacy services aimed at training and supporting teachers, schools and districts with implementing quality and effective literacy instruction that meets the needs of ALL students.

### **Literacy Services include:**

- **LETRS TRAINING** – Language Essentials for Teachers of Reading and Spelling. This training focuses on the elements of structured literacy and evidence-based practices teachers use as part of core/intervention.
- **DATA ANALYSIS** to guide instruction where the focus is on using data effectively to adjust instruction and to monitor student growth.
- Support in **ALIGNING** curriculum, assessment and instructional resources.
- Developing **TIERED SYSTEMS** of intervention.
- Specific training for each of the elements of **STRUCTURED LITERACY**: phonology, sound-symbol, syllables, morphology, syntax, semantics.
- **AUTHENTIC LITERACY** – evidence-based practices for reading, writing, speaking and listening.
