Like Tools That Teach State Science Standards...

We Do the Little Things For You!

## Rachel's State Standard Science CDs

PowerPoint Presentations filled with lessons, teacher notes, and extra web links that cover ALL state standards--not just the testable ones! One CD for 3rd and 4th grades or one CD for 5th through 7th grades. Only \$30 each!

Bright, colorful slides walk students through each step of EVERY State Standard!

For more information or to order your own CD contact Rachel Loersch at [rloersch@smokyhill.org](mailto:rloersch@smokyhill.org) or 785-825-9185

Presentation notes give teachers additional information and resources to help students succeed.

Slides are packed with great information and interactive learning sites!
