 9:00 am—3:30 pm,  
 Salina, KS**

**CORE SIX: Essential Strategies for Achieving Excellence with the Common Core**

Join Harvey Silver, one of the authors of the book and an accomplished national presenter, as he outlines the research-based strategies that will help ALL of your staff provide the kind of instruction necessary for success with the Common Core Standards. The authors of this book outline what you need to know to reinforce the Common Core in your lessons, including:

- A rationale for using each strategy to address the goals of the Common Core.
- Research that supports the use of each strategy.
- Steps for implementing each strategy in the classroom.
- Sample lessons in multiple grade levels and subjects.
- Planning considerations to make certain your use of the strategy helps students become better at reading, understanding, using, and communicating rigorous texts.

The six practical strategies outlined in this book will inspire instruction that ensure lessons capture students' interest, deepen their understanding, and extend their thinking about required course content. Join us in January to focus on the six key strategies!

Cost: \$135 per person for member and associate member districts (non-member \$150) – includes book, resource guide, and lunch! Discount for groups of 10 or more at \$95 per person/ \$130 non member. Register by December 18, 2013. Look for possible follow-up session on February 17 in Salina at an additional cost. To register, go to [www.smokyhill.org](http://www.smokyhill.org).
