Smoky Hill Learning Center

Do you have students needing credit recovery? Is your district looking for a way to increase graduation rates? The SHESC Learning Center has options available to help you and your district.

Increase your graduation rate and keep students on schedule to graduate with their class or help students graduate early with a Smoky Hill Credit Recovery account. You can save your district money and run your own on-site credit recovery program through Smoky Hill Learning Center's Odysseyware account for only \$100 per semester course.

If that option is not possible, you can also send students directly to the Smoky Hill Learning Center to recover failed or incomplete credits by working virtually with Smoky Hill teachers with prior approval from school officials and verification of class(es) a student needs to recover for \$200 per semester course.

For more information, call 785-825-0435 or e-mail Troy Marseline at tmarseline@smokyhill.org.
