Smoky Hill Education Service Center—Hays Office
**1401 B Main Street, Hays, Kansas**
**785-621-4414**
**ABOUT OUR STAFF**

**Noalee McDonald-Augustine** is an Educational Consultant that specializes in Student Enhancement Services. She is nationally trained in CHARACTER COUNTS! and the Prudential Youth Leadership Institute, is a Bullying Prevention trainer, and coordinates the Smoky Hill Low and High Ropes Adventure Program. Noalee has a BA in Mathematics, a BA in Sociology and her master degree work is in Physical Education.

**Allen Bachelor** is an Emergency Response Consultant and works with volume purchasing for Smoky Hill ESC. Allen is a retired career officer with the Kansas Highway Patrol and provides crisis management training for our service member schools. He also provides training and certification for Rule 10 coaches and is a Defensive Driving instructor for school bus drivers.

**Marty Christie** is the Staff Development Coordinator for Smoky Hill ESC. Before coming to the service center, she had been a classroom teacher for over 20 years. Marty coordinates the SHESC Staff Development and presents on various topics related to School Improvement, such as PDC’s, Six Trait Writing, and Student Improvement Team Training.

**Jaye Ditter** is an Educational Consultant for the Smoky Hill Education Service Center. With six years of experience working with educators and providing instruction, Jaye’s trainings are hands on and focus on enhancing teacher instruction and student learning. Examining everyday classroom issues during trainings, Jaye’s workshops look to enhance both student and staff achievement!

**Pam Gaschler** is an Educational consultant for SHESC. She has a bachelor’s degree from Fort Hays State University in Elementary Education and a master’s degree from FHSU in Education. She is a certified Power School Trainer, Curriculum Mapper and a Master Teacher Trainer for Intel Teach to the Future!!

**Mary Beth George** is a Reading Specialist and Educational Consultant for SHESC. She graduated from Northwestern Oklahoma State University with a degree in elementary education. She obtained her reading specialist endorsement from Emporia State University. With 20 years of classroom experience, Mary Beth has worked with students of all ages in a variety of educational settings and is a trainer for Fast ForWord and Achieve 3000.
Larry Patrick is the Associate Director at Smoky Hill ESC and is beginning his 14th year. He has 16 years of science teaching experience in public schools and has taught science and education courses at the college level. While at the service center, Larry’s primary responsibilities have been in curriculum/instruction/assessment, school improvement, alternative education, career & technical education, and information/instructional technology. Larry is a certified Power School and Achieve 3000 Trainer.

Linda Loder is Coordinator of Integrated Technology at SHESC. Linda holds a Master’s Degree in Instructional Technology from Fort Hays State University and a Bachelor’s Degree in Business Education from Bethany College. Her background includes ten years of secondary teaching experience, two years as a district technology facilitator and three years as an educational technology consultant at the Kansas Dept. of Education.

Brenda McDaniel is an Educational Consultant and taught social studies for the Salina School District for thirty-one years. She has a Bachelor of Arts in History and Sociology from Kansas Wesleyan University and a Master of Science in Education from Kansas State University. Brenda was selected by the teachers of Salina to be their Master Teacher for the 2002-2003 school year and received the Alumni Achievement Award from Kansas Wesleyan University in 2003. She is a certified Ruby Payne Trainer.

Chris Moddelmog joined SHESC in July, 2006 as the Director of Technology Services. He graduated from Bethany College in 1994 with a Bachelor’s Degree in education and earned a Master’s Degree in educational administration from Wichita State University. He has been involved in education for 12 years in teaching, professional development, and administrative roles. Chris is also a certified Power School Trainer.

Judy Nold joined SHESC in July, 2007. She is an Educational Consultant who came to us from Oklahoma, with 17 years of teaching experience. Judy also served as a technology facilitator in her district. As an Oklahoma Telementor, she presented workshops on various subjects and looks forward to providing teachers with training that will support curricular and instructional decision-making.

Judy also served as a technology facilitator in her district. As an Oklahoma Telementor, she presented workshops on various subjects and looks forward to providing teachers with training that will support curricular and instructional decision-making.
Darla Smith is the Assistant Director at the Smoky Hill ESC. She has over 20 years of experience in education as a classroom teacher, staff development specialist, school improvement/assessment specialist and curriculum coordinator. Darla is passionate about improving student learning and brings a wealth of knowledge to the task. She is also a certified NWEA/MAP Trainer.

Joe Ryan is a Career and Technical Education Consultant for Smoky Hill ESC. Joe previously had been involved full time in production agriculture. Along with working with the Carl Perkins, Tech Prep and Non Traditional Initiatives grants, Joe also provides tech support for the Fast ForWord program, does environmental consulting with asbestos and mold management and is a member of the Smoky Hill Crisis Management team.

Larry Smull is the Custodial Services Coordinator for SHESC. He graduated from Kansas Wesleyan University with a Bachelor's degree in Business Administration. Larry worked for USD #305, at the Salina Tech School for 35 years. His expertise is in custodial training, evaluation of workloads, and inspections of custodial cleaning procedures, which he did for school systems in Kansas.

CALLING ALL ADMINISTRATORS, SUPERINTENDENTS AND PRINCIPALS!

Get Set, Get Ready & Mark Your Calendars for the Administrator’s Pike’s Peak Retreat

June 18, 19 & 20, 2008
Hilton Garden Inn at Colorado Springs
Details will be forthcoming.
Intel Teach to the Future

Dates/Locations: May 29-30 Plus 36 hours online OR
   July 29-30 Plus 36 hours online
   @ Salina, SHLC, 830 S. 9th Street, Salina
Time: 9:00 - 4:00 each day
Credit: 3 hours of Friends Credit
Presenters: Linda Loder, Judy Nold, Pam Gaschler
Cost: Charter $125; Associate $155; Non-SHESC Member $185

How can you integrate technology into teaching in ways that help students meet challenging standards, improve learning, and give them a deeper understanding of how to use technology to learn? The Intel Teach to the Future Program is a worldwide effort to help teachers integrate technology into classrooms to enhance student learning. In this class you will learn how to incorporate the Internet, Microsoft Office software, and online Web 2.0 tools to improve learning for yourself as well as your students. By the end of the program, you will share a technology-integrated unit plan in the subject you teach, and will be able to use it with your students. In the new online format, you can attend the introductory classes to the program over two days, and then complete the rest of the course requirements in an online format. Final dates for completion of the online portion will be September 19 for the May class and November 14 for the July class.

4 X 4 X 4 Integrated Technology Academy

Dates/Locations: June 2-5 @ Salina, SHLC, 830 S. 9th Street, Salina
Time: 9:00—3:30 each day
Presenter: Linda Loder
Cost: Charter $400; Associate $500; Non-SHESC Member $600
NOTE: Any school BUILDING sending a team of THREE OR MORE teachers will receive a 25% discount!

Kick-start your summer and your next school year in a highly-charged, engaging environment. Learn how to integrate technology into teaching in ways that help students meet challenging standards and engage them in learning. In this class you will learn how to incorporate 21st Century skills using the Internet, software, video, podcasting, and several online Web 2.0 tools to improve learning for yourself as well as your students. Why do we call it 4 X 4 X 4? You will get four days of face-to-face learning in a group environment, four weeks of online coursework including the new Intel Teach to the Future Online class, and four quarters—the entire next school year—of participation in an online learning environment, mentored by Linda Loder, Coordinator of Integrated Technology. You are eligible to apply for three hours of college credit upon completion of the Academy and the Intel Teach to the Future Online Course.

Want an engaging class followed by online, sustained support for your entire school year??? Then this new 4 X 4 X 4 Integrated Technology Academy is the opportunity for you! Join us for FUN and LEARNING!!
Mean Girls

Dates/Locations:  June 4 @ Hays, 1401 B Main Street OR
                June 6 @ Salina, SHESC, 605 E. Crawford

Presenter: Noalee McDonald
Time: 9:00 - 3:30
Cost: Charter $65; Associate: $80; Non-SHESC Member: $95
Credit: One hour of Friends credit IF you attend this workshop & Lost Boys [see page 15]

Sugar & Spice & Everything Nice! That's what little girls are made of.
(Mother Goose Nursery Rhyme)

Not any more. Now it is Queen Bees, Wannabees, Mean Chicks, Cliques, Dirty Tricks, and Girl Wars. Dory, age 16, said, “To ask a girl if she's ever been treated mean by another girl is to ask if she's ever been around her peers.” Girls grow up being taught that it is prettier to be nice and because of this when they become angry they resort to covert forms of aggression—Relational Aggression [RA]. We are just now beginning to realize the magnitude and effects of RA; in fact, it has been reported that 70% of girls have been mistreated by their friends.

In this workshop you will learn the types and levels of relational aggression; short and long-term effects; school-wide and classroom strategies for managing RA girls; strategies to empower victims and bystanders; hints for handling RA parents; and most importantly, how to overcome the culture that breeds RA.

Ruby Payne's “A Framework for Understanding Poverty”

Dates/Locations:  June 3 & June 10 [Two Day Workshop]
                  @ Hays, 1401 B Main Street OR
                June 5 & June 12 [Two Day Workshop]
                  @ Salina, SHLC, 830 S. 9th Street

Presenter: Brenda McDaniel
Time: 9:00-3:30 each day
Cost: Charter $150; Associate $180; Non-SHESC Members $210
Cost includes two books, one for Day 1 and one for Day 2.
Credit: One hour of Friends University credit available if you attend both days.

DAY ONE TRAINING
You will be introduced to:
● Why students laugh when being disciplined
● How to defuse an angry parent
● Why students often fail to perform on standardized tests
● What motivates the behaviors and attitudes of your students and parents

DAY TWO TRAINING
You will learn:
● How to frame instruction for retention
● What eye movement tells you during a conversation
● Why mental models work for kids from poverty
● How to design lessons for greater payoff in achievement & test scores
Podcast Creation

Dates/Locations: June 5 @ Hays, 1401 B Main Street OR
June 6 @ Salina, SHLC, 830 S. 9th Street
Presenter: Chris Moddlemog
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC Members $95

Podcasts allow learning to be extended beyond the classroom because they allow students to access information any place, any time, using a variety of portable devices. Spend the day learning how to create audio and video podcasts for your classes. While making your own productions, you will also get resources to assist in creating podcasts as well as ideas about how best to use podcasts in your education setting.

Participants are encouraged to bring their own laptops, microphones, video clips and digital photos. If you need SHESC to supply equipment, please indicate this when you register.

Google Tips & Tools - Using Google

Date/Location: June 9 @ Salina, SHLC, 830 S. 9th Street
Presenter: Judy Nold
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One Hour of Friends Credit with a Thinkfinity workshop. See Pages 21, 25, 37 or 38.

Googling has become a world all of its own. Learn how the many resources of Google enhance and manage your classroom. The day will provide you with tips to help you navigate and search effectively in Google. It will provide you with an opportunity to explore the many tools that will creatively expand the use of this technology in the classroom.

Basic SIT

Dates/Locations: June 9 & 10 @ Salina, SHESC, 605 E. Crawford
Presenters: Marty Christie & Linda Talbott
Time: 9:00 - 3:30
Cost: Charter $125; Associate: $150; Non-SHESC Member: $185
Credit: One hour of Friends credit IF you attend both days.

Student Improvement Teams play a vital role in helping students become successful in school. This basic training will cover the various components of the Student Improvement Team process including such topics as roles, responsibilities, the actual problem solving process, and legal issues. This training is for TEAMS rather than for individual members. Participants will receive the current Student Improvement Team Notebook and have time to work together as a team. Both presenters are State Approved SIT Trainers.
School Health & Nutrition Activities & Lesson Plans

Date/Location: June 9 @ Hays, 1401 B Main Street OR
June 11 @ Salina, SHESC, 605 E. Crawford
Presenter: Noalee McDonald-Augustine  Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One hour of Friends credit IF you attend this workshop & Signs & Symptoms of Drug Use [see page 34].

The Center for Disease Control and Prevention (CDC) charts six specific risk behaviors of U. S. Adolescents—alcohol and other drugs; smoking; nutritional behavior; intentional and unintentional injuries; physical activity; and sexual behaviors. These behaviors are linked with ten content areas in the Kansas Health Standards. This workshop will present classroom-tested, ready to use activities and lessons for the six risk behaviors that align with the Kansas Health Standards. Participants will leave with a booklet of activities.

We’re Banking On It - Using Money to Teach Math in the Classroom [K-6]
Date/Location: June 10 @ Salina, SHLC, 830 S. 9th Street
Presenter: Judy Nold  Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One hour of Friends credit if you attend this workshop and Make It and Take It Math Workshop [see page 17].

This concise, sharp workshop will provide you with several different methods and ways to use money creatively while teaching State standards. Sign up now!

Lost Boys

Date/Location: June 10 @ Salina, SHLC, 830 S. 9th Street OR
June 12 @ Hays, 1401 B Main Street
Presenter: Noalee McDonald-Augustine  Time: 9:00 - 3:30
Cost: Charter $65; Associate: $80; Non-SHESC Member: $95
Credit: One hour of Friends credit IF you attend this workshop & Mean Girls [see page 13]

Snakes & Snails & Puppy Dog Tails! That's what little boys are made of.
(Mother Goose Nursery Rhyme)

Boys are expected to be physical, rugged, and tough. They are expected to get dirty and have scrapes and bruises. What we know, however, is that the majority of bullying is perpetrated by males, stranger violence is still primarily a “boy thing,” and 82% of the most violent crimes are committed by males. We also know that school and workplace violence is almost always conducted by males. How can we make sense of this violence?

In this workshop you will gain awareness of bullying behaviors; characteristics about the bullies, victims, and bystanders; and how to redirect and change bullying behaviors. Participants will also learn what causes a boy to go beyond bullying, and beyond just playground fighting to lethal violence. We will try to make sense of senseless youth violence and learn strategies to prevent youth violence.
June 2008

Inquiring Minds—Hands-on Science [K-5]

Date/Location: June 11 @ Salina, SHLC, 830 S. 9th Street
Presenter: Judy Nold
Time: 9:00 - 3:30
Cost: Charter $65; Associate: $80; Non-SHESC Member: $95

Teachers will have the opportunity to participate in various experiments that meet benchmarks for Science in grades K-5. When you leave, you will have several easy-to-do experiments at your disposal, which are inexpensive and ready to implement in your classroom curriculum. Sign up now!

Preparing for the State Social Studies Assessment Series

Dates/Locations: June 11, 27 & July 14 @ Hays, 1401 B Main Street OR
June 12, 24 & July 18 @ Salina SHESC, 605 E. Crawford
Presenter: Darla Smith
Time: 9:00 - 3:30
Cost: Charter $65; Associate: $80; Non-SHESC Member: $95 per day
Credit: One hour of Friends credit IF you attend two of the three days.

The following workshops will help prepare you and your students for the State Social Studies Assessment. **Attend one or attend them all** to learn new ideas for classroom lessons and find out more about instructional resources (both in print and online). Activities will be hands-on and interactive to help engage your students in learning. Geography ideas will be incorporated throughout all three days and focus will be on the assessed indicators on the State Assessment.

Day One: June 12 Salina & June 11, Hays - **World History and Economics**
Day Two: June 24 Salina & June 27 Hays - **United States History & Kansas History**
Day Three: July 18 Salina & July 14 Hays - **Interactive Student Notebooks, Graphic Organizers, and Using Primary and Secondary sources**

SAFARI 2008

Dates/Location: June 11-12 @ Rolling Hills Wildlife Adventure
Presenters: Rolling Hills Staff
Time: 9:00 - 4:00 each day.
Cost: Charter $130; Associate $130; Non-SHESC $185; Other: SHESC Math Science $80. Cost Includes Lunch.
One hour credit available through Friends for both days.

This year, teachers will be challenged to explore the connection between life sciences and character education. By examining basic and advanced animal behavior through hands-on activities, teachers will begin to see how they can
SAFARI 2008 Cont’d from page 16:

utilize this basic life science subject to expand character education in their classrooms and schools. In addition, the teacher workshop will take a special look at whether bullying takes place among animals in the wild as a way to reach students in a unique way about this Kansas State Department of Education initiative. As always, this year’s SAFARI teacher workshop will be cross-curricular providing teachers at all grade levels with a variety of activities they can take back to their classroom. Guest speakers, new topics and new activities make SAFARI 2008 perfect for all teachers, veteran attendees and new alike. Dress accordingly for outside activities. Lunch will be provided.

Putting Meaning & Motivation into Teaching Mathematical Content Using Differentiated Instruction for K-5

Date/Location: June 16 @ Salina, SHLC, 830 S. 9th St.
Presenter: Kim Sutton, Creative Mathematics
Time: 9:00 - 3:30

Cost: Charter $100; Associate $125; Non-SHESC $150
One Hour Friends Credit with this workshop and either the June 17 Workshop in Hays OR the June 17 Make-It-Take-It Workshop in Salina.

This new one day workshop with Kim Sutton will give practical strategies for teaching the mathematical content of grades K-5. Kim Sutton will share her motivating style of teaching using songs, stories, rich experiences with math content and the latest children’s literature. Teachers will get the latest research behind what is taught, how it is taught and how children learn mathematics.

The outcomes of this workshop include:

➢ New strategies for achieving goals of the math standards for all students
➢ How to motivate even the most reluctant mathematician in your class
➢ How to create “big” mathematical themes for differentiated instruction
➢ How to build a strong algebraic foundation to mathematical content
➢ How to create math tools for differentiation

Participants are asked to bring scissors, stapler, scotch tape, marking pens and hole punch. You may also like to bring a camera.

Make It & Take It Math Workshop

Date/Location: June 17 @ Salina, SHLC, 830 S. 9th Street
Presenter: Judy Nold
Time: 9:00-3:30

Cost: Charter $75; Associate $90; Non-SHESC $105
Price includes $15 of Make-It-Take-It Materials
Credit: One Hour of Friends Credit if you attend We’re Banking On It, page 15, OR Putting Meaning & Motivation .... on June 16.

Here is a workshop that will give you an opportunity to create various math manipulatives relating to state benchmarks and standards. Then, you can take these manipulatives back to your classroom and be ready with some new activities for the coming school year.
June 2008

Smart Math Strategies for Application of Intensive Content (K-5)

Date/Location: June 17 @ Hays, Sternberg Museum
Presenter: Kim Sutton, Creative Mathematics
Time: 9:00 - 3:30

Cost: Charter $100; Associate $125; Non-SHESC $150
Credit: One Hour of Friends Credit if you attend Putting Meaning & Motivation .... on June 16, page 17.

This new one day workshop with Kim Sutton will share how to create “smart” math strategies by looking at how to layer activities that start basic and end up with profound experiences for students. Come prepared to have “tons” of ready-to-go games and activities that inspire students.

The outcomes of this workshop include:

- What are the smart strategies in mathematics
- How to cover more and increase the achievement in your classroom
- How to create smart math visuals that build depth of content
- How to make powerful connections “Now & Later”
- How to organize the learning of math content

Participants are asked to bring scissors, stapler, scotch tape, marking pens and hole punch. You may also like to bring a camera.

Using Graphic Organizers to Teach the Kansas Social Studies Standards (5-12)

Date/Location: June 17 @ Salina, SHLC, 830 S. 9th Street OR
June 19 @ Concordia, USD #333 BOE, 219 W. 7th
Presenter: Brenda McDaniel
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC Member $95

Participants will learn how to use a variety of graphic organizers to enhance their teaching of social studies. Learn how to organize your social studies teaching in order to reach all of your students. Come explore why graphic organizers are so “brain friendly” and how they can be developed to meet the challenging state standards. Participants will gain great, new ideas that will challenge their students’ thinking as well as help them make sense of their text. A laptop computer with wireless internet capabilities will be helpful, but SHESC will provide one if requested at the time of registration.
## June 2008

### SIT - Just Problem Solving

**Dates/Locations:**
- June 18 @ Salina, SHESC, 605 E. Crawford OR
- June 19 @ Hays, 1401 B Main Street

**Presenters:** Marty Christie & Linda Talbott

**Time:** 9:00-3:30

**Cost:** Charter $75; Associate $75; Non-SHESC $90

This training is for schools that already have the Student Improvement Team process in place. If you are a new SIT member or if it’s been a few years since you have attended a SIT training, then this workshop is for you! This session is a one-day focus on just the problem solving process. You will receive current materials and have time to critique your team's application of the SIT process. Unlike other SIT trainings, participants do not need to attend with a team; individual participants are welcome. Content of this workshop draws upon integral pieces of the Basic SIT Training.

### Fantastic, Fun, Free—Our Top Twenty—and MORE—Web 2.0 Tools for Teachers & Students

**Date/Location:**
- June 18 @ Salina, SHLC, 830 S. 9th Street OR
- Aug. 1 @ Salina, SHLC, 830 S. 9th Street OR
- Aug. 13 @ Hays, 1401 B Main Street

**Presenter:** Linda Loder

**Time:** 9:00-3:30

**Cost:** Charter $65; Associate $80; Non-SHESC Member $95

Web 2.0 refers to the Interactive Internet, where ANYONE can create and publish. Some Web 2.0 is more interactive than others, but the connotation remains the same - WE become the creators of the content. In this workshop, we will share our own “Top Twenty” - and more - Web 2.0 Tools that teachers and students can use in the classroom. This is a BYOL - Bring Your Own Laptop - Session. Or, you can ask to borrow one of ours. Come prepared to be amazed at the many fun, free, FANTASTIC tools that you can find on the Internet.

### LETRS Study Group - Summer Series

**Dates/Locations:**
- June 18-19 @ Salina, SHESC, 605 E. Crawford

**Presenter:** Mary Beth George

**Time:** 9:00-3:30 each day

**Cost:** Charter $160; Associate $175; Non-SHESC Members $190

**Cost includes books for Day 1 and Day 2 [Two Books].**

**Credit:** One hour of Friends credit if you attend BOTH days.

LETRS modules address each component of reading in depth—phonological and phonemic awareness; phonics, decoding, spelling, and word study; oral language development; vocabulary; reading fluency; comprehension; and writing - as well as the links among those components. An empowered teacher is one who knows and can implement the best practices of the field, as established by a scientific research consensus.

**Module 1:** The Challenge of Learning to Read [all grade levels]

**Module 2:** The Speech Sounds of English: Phonetics, Phonology, And Phoneme Awareness [all grade levels]
Making Words Come Alive - Using Web 2.0 Tools for Literacy -
for Elementary Teachers

Date/Location: June 19 @ Salina, SHLC, 830 S. 9th Street
Presenter: Linda Loder
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non SHESC $95

Today’s students live, work and play in a vastly different environment full of rich media and resources that were not available to most of us just ten years ago. To these students, words in text sometimes seem to just “lie dead on the page” and fail to engage them in the deep thinking we want.

In this workshop, learn how to make literacy come alive to your students by using the written and spoken word combined with easy-to-use, engaging technological applications. We will give you many examples of quick and easy Web 2.0 tools you can use, as well as ways to use your current software applications, combining literacy and student interaction, and target state standards and higher level thinking skills. Come prepared to have fun and learn some quick ways to catch the attention of your students.

This is a BYOL—Bring Your Own Laptop—event. You may utilize one of ours if you do not have one!

Making Words Come Alive—Using Web 2.0 Tools for Literacy -
for Secondary Teachers

Date/Location: June 20 @ Salina, SHLC, 930 S. 9th Street
Presenter: Linda Loder
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non SHESC $95

Students today live, work and play in an environment vastly different from ours - full of media rich with resources that were not available to most of us ten years ago. To them, words in text sometimes seem to just “lie dead on the page,” failing to engage our students with the deep thinking we want to have.

This workshop will instruct you on how to make literacy come alive by utilizing written and spoken words combined with engaging, easy-to-use technological applications. You will have several examples of quick and easy Web 2.0 tools to use, as well as ways to emphasize current software applications, combining literacy and student interaction, and target state standards and higher level thinking skills. Come have fun and learn quick ways to capture your students’ attention.

This is a BYOL—Bring Your Own Laptop—event. You may utilize one of ours if you do not have one!
Six Trait Writing Revisited

Dates/Locations:  
June 20 @ Hays, 1401 B Main Street OR  
June 27 @ Salina, SHESC, 605 E. Crawford

Presenter: Marty Christie

Time: 9:00-3:30

Cost: Charter $65; Associate $80; Non-SHESC $95

Would you like a refresher on Six Trait Writing? Then this Workshop is for you! We will review the Six Trait Model of Writing and Assessment. The revised rubrics for the Kansas State Writing Assessment will be shared as well as a Beginning Writers’ Continuum to use to evaluate young writers and those with special needs. We will also review the seventh trait - Presentation.

Participants will have time to score some sample papers as well as discuss possible ideas and strategies for using the Six Traits in their classrooms.

Google Tips & Tools - Using Google

Date/Location: June 23 @ Hays, 1401 B Main Street

Presenters: Pam Gaschler

Time: 9:00-3:30

Cost: Charter $65; Associate $80; Non-SHESC $95

Googling has become a world all of its own. Come find out the many resources of Google to enhance and manage your classroom. The day will provide you with tips to help you navigate and search effectively in Google. It will also provide you with an opportunity to explore the many tools that will creatively expand the use of this technology in the classroom.

Thinkfinity—A Useful Resource & Time to Explore for Jr. High & High School Teachers [7-12]

Date/Location: June 23 @ Salina, SHLC, 830 S. 9th Street

Presenter: Judy Nold

Time: 9:00-3:30

Cost: Charter $65; Associate $80; Non-SHESC $95

Credit: One Hour of Friends credit if you attend this workshop & Google Tips & Tools, pg. 14.

Thinkfinity is designed to improve education and literacy achievement. It has been voted the best site for free lesson plans and also contains many interactive links to use in all subject areas. You will have time to explore this awesome resource so that you can be ready for a new school year with some innovative new ideas.

Judy Nold is a Master Trainer for Thinkfinity.
Bal-A-Vis-X Level One & Adaptive Exercises

Dates/Locations: June 23-24 @ Salina, SHLC, 830 S. 9th St.
Presenter: Bill Hubert
Time: 10:00 - 4:00
Cost: Charter $130; Associate $160; Non-SHESC $190
Cost includes Lunch.

Attend both days for one hour of Friends credit.

Does this sound like a student you know? 1) Cannot seem to focus; 2) Cannot sit or stand without moving; 3) Illegible handwriting; 4) Mental or physical apathy; 5) Visual tracking affecting reading; 6) Difficulty following class discussion; 7) Cannot follow simple directions. Yes? Then, this workshop is for you!

Bal-A-Vis-X is a series of Balance/Auditory/Vision eXercises, of varied complexity, all of which are deeply rooted in rhythm. Exercises are done with sand-filled bags and racquetballs, sometimes while standing on a balance board. In essence, BAVX enables the whole mind-body system to experience the natural symmetrical flow of a pendulum. Participants are actively involved in the program in a low risk environment, proceeding at your own pace with assistance from the trainers. This workshop focuses on Beginning Level One exercises as well as Adaptive Exercises which benefit young, developmentally immature students, early childhood, and even the elderly.

Bill Hubert has been teaching elementary through college students over 30 years, using student trainers as part of the workshop. Bill and his “peer trainers” have traveled all over the United States with his approachable, informal, and plain common sense style which will have you anxious to try his program in your classroom as soon as possible.

Who should attend? Reading Specialists, Classroom teachers, Physical Education teachers, Special educators, Gifted teachers, At-Risk coordinators, and Teachers of after school programs and alternative education programs.

Make sure to watch for Bill Hubert’s additional workshops on June 25 and 26.
In the Blink of An Eye—Unconscious Bias & How It Affects How Teachers Teach

Date/Location:  June 23 @ Salina, SHESC, 605 E. Crawford OR  
               July 7 @ Hays, 1401 B Main Street

Presenters:  Noalee McDonald-Augustine

Time:  9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

We have all heard the statement, “speak your mind”. Most people, however, do not “know their minds”. Over the past few years, a number of psychologists have begun to look more closely at the role of our implicit unconscious and how it plays in our beliefs and behavior. With the increase of diversity our schools are experiencing, it is essential that we make our classrooms as bias free as possible. We may say consciously that our classrooms are bias free and we treat students equally, but most of us do not “know our minds”, our implicit unconscious. This workshop will look into the discrepancies between the conscious and unconscious and how these discrepancies affect our relations with our students and our students’ academic success.

Participants will discover their own hidden bias using the Implicit Association Test, understand how media and entertainment affects attitudes, and recognize how role models affect attitudes. Participants will learn strategies to change their own bias and classroom strategies to help change their students’ bias. Participants will also learn the need to support students, have insistence, and maintain high expectations.

i-Movie Basics - Using i-Movie in the Classroom

Date/Location:  June 24 @ Salina, SHLC, 830 S. 9th Street

Presenters:  Judy Nold

Time:  9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

Do you have Apple computers in your school? Would you like to learn to make a movie using i-Movie? Would you like to have some innovative ideas for the classroom using i-Movie? If so, then attend this workshop today! Bring your Apple computer, pictures and video-clips from a camcorder [if you have some] and we will get you started with some fun in your classroom.
Motivating the Unmotivated Student

Dates/Locations:  June 24 @ Hays, 1401 B Main Street  OR  
July 21 @ Salina, SHLC, 830 S. 9th
Presenter:  Noalee McDonald-Augustine
Time:  9:00-3:30
Cost: Charter $65; Associate $80; Non SHESC $95

Educators know that motivated students predominately produce high-quality work, learn well, and behave responsibly. Because of this, one of the most important concerns of a classroom teacher is student motivation.

Motivation can be approached in two ways, external or internal. External motivation relies heavily on rewards and punishments and dominates not only most classrooms but the world as well. Internal motivation, however, inspires the natural drives within students. Participants will learn concrete ways to address these needs to transform their classroom where students want to learn, perform high-quality work, and behave in respectful, responsible ways.

OBJECTIVES:

- Analyze the two types of Motivation: External & Internal
- Discuss the need and advantages of Internal Motivation
- Examine the Choice Theory which identifies five basic needs—Survival, Love and Belonging, Power, Freedom, and Fun
- Learn how these basic needs guide human behavior
- Discover concrete ways to address these needs and encourage Internal Motivation

Bal-A-Vis-X Level Two

Dates/Locations:  June 25 @ Salina, SHLC, 830 S. 9th St.
Presenter:  Bill Hubert
Time:  9:30 - 4:00
Cost: Charter $75; Associate $90; Non-SHESC $105; Cost includes Lunch
Credit: One hour credit from Friends University if you attend both Level Two and Level Three.

This workshop features active participation by reviewing the fundamentals of Bal-A-Vis-X, as well as detailed instruction focused on 50 of the more demanding exercises. Pre-requisite: Participants must have completed the Level One Training.

Note: Bal-A-Vis-X continues to evolve. If it has been a while since you were trained, know that revised exercises have been added. The content of this training is essentially what was previously called “Advanced”. Don’t miss this opportunity to increase your skills with Bal-A-Vis-X exercises!

Happiness is not a matter of intensity but of balance, order, rhythm and harmony.  
Thomas Merton
Thinkfinity - A Useful Resource and Time to Explore for Elementary Teachers, [K-6]
Date/Location: June 25 @ Salina, SHLC, 830 S. 9th St.
Presenter: Judy Nold
Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One Hour of Friends credit if you attend this workshop & Google Tips & Tools, pg. 14.

Thinkfinity is designed to improve education and literacy achievement. It has been voted the best site for free lesson plans and also contains many interactive links to use in all subject areas. You will have time to explore this awesome resource so that you can be ready for a new school year with some innovative new ideas. Judy Nold is a Master Trainer for Thinkfinity.

The At-Risk Students in Our Schools
Date/Location: June 25 @ Salina, 830 S. 9th Street
Presenter: Brenda McDaniel
Time: 9:00-3:30
Cost: Charter $90; Associate $105; Non-SHESC $120

The nature of our society is changing. The increased learning and behavior problems that are being encountered by educators in our schools are the result of this. We are seeing an increase of students being referred to as “At-Risk”. This means different things to different people. In this workshop we will look at some interventions that will help you better serve your “At-Risk” students. We will have an open forum where teachers will be able to share ideas they found to be successful in the classroom. Come learn how to better reach your “At-Risk” students.

Using Excel in the Classroom [K-12]
Date/Location: June 25 @ Hays, 1401 B Main Street OR
June 26 @ Salina, SHLC, 830 S. 9th Street
Presenter: Pam Gaschler
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

Do you think of charts and graphs when you think about using the program Excel in the classroom? Imagine creating games, time lines, math activities, science activities, etc., using Excel. This session will start with an overview of Excel basics and then move into creative classroom ideas. Pam will provide a variety of activity ideas for any K-12 classroom.

You are encouraged to bring a laptop if you have one to use for the training. If you need to use one of ours, please let us know when you register.

Excel in Excellence!!
Utilize PowerPoint & Internet Resources for Activities in your Classroom! [Middle School / High School]

Date/Location: June 30 @ Salina, SHLC, 830 S. 9th St.
Presenter: Jaye Ditter
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

Are you looking for new ways to utilize PowerPoint in your classroom? Are you searching for different ways for your students to learn and retain information being taught in class? Do you wish you could use technology-based instruction more in your everyday teaching? During this workshop, we will explore PowerPoint activities that both you and your students can use in the classroom to help enhance teaching and learning. We will explore new and interactive Internet resources that can help your students improve their ability to learn and retain information hands-on! These internet resources will be cross-curricular, and the entire workshop will be hands-on! [Computers available will be PC platform; feel free to bring your own computer, if desired.]

Knowledge is the antidote to fear. Ralph Waldo Emerson
I Have an English Language Learner...What Do I Do?

Date/Location: June 30 @ Salina, SHESC, 605 E. Crawford OR
July 2 @ Hays, 1401 B Main Street

Presenter: Martie Christie
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

The number of English Language Learners in Kansas is growing dramatically. In this workshop, you will gain a better understanding about factors affecting ELL’s in the classroom. Strategies and resources to provide better instruction will also be discussed and a brief overview of SIOP - Sheltered Instruction Observation Protocol - will also be featured. Don’t feel so lost. Come learn strategies about teaching ELL’s in your classroom!

LETRS Study Group - Summer Series

Dates/Locations: July 1 & 28 @ Hays, 1401 B Main Street
Presenter: Mary Beth George
Time: 9:00-3:30 each day
Cost: Charter $160; Associate $175; Non-SHESC Members $190
Cost includes books for Day 1 and Day 2 [Two Books]
Credit: One hour of Friends credit IF YOU ATTEND both days.

LETRS modules address each component of reading in depth—phonological and phonemic awareness; phonics, decoding, spelling, and word study; oral language development; vocabulary; reading fluency; comprehension; and writing - as well as the links among those components. Become empowered through a scientific research consensus.

Module 1: The Challenge of Learning to Read [all grade levels]
Module 2: The Speech Sounds of English: Phonetics, Phonology, and Phoneme Awareness [all grade levels]

LETRS Study Group - Summer Series II

Date/Location: July 8 & 9 @ Salina, SHESC, 605 E. Crawford
Presenter: Mary Beth George
Time: 9:00-3:30 - One Hour Friends Credit if you attend both workshops
Cost: Charter $160; Associate $175; Non-SHESC $190; Includes 2 Books

LETRS modules address each component of reading in depth - phonological and phonemic awareness; phonics, decoding, spelling and word study; oral language development; vocabulary, reading fluency; comprehension; and writing - as well as the links among these components. Become empowered through a scientific research consensus.

Module 3: Spellography for Teachers: How English spelling works [all grades]
Module 4: The Mighty Word: Building Vocabulary and Oral Language [all grades]
Classroom Activities for Bullying & Character Education  
**Elementary School**

**Date/Location:**  
July 8 @ Hays, 1401 B Main Street OR  
July 10 @ Salina, SHESC, 605 E. Crawford

**Presenter:** Noalee McDonald-Augustine  
**Time:** 9:00-3:30

One Hour Friends Credit if you attend July 29 or Aug. 1, Bullying & Character Education Make It & Take It.  
**Cost:** Charter $65; Associate $80; Non-SHESC $95

One component of the Kansas Anti-Bullying Bill is student curriculum and because of this, teachers are going to have to implement classroom lessons. This workshop will focus specifically on activities, lessons, and strategies that can be used in the classroom to meet this component of the law.

**OBJECTIVES:**

- Participate in hands-on activities and initiatives that enforce positive character for Pre-K through 5th grade
- Leave with bullying lessons that address cyberbullying, emotional bullying, physical bullying, and verbal bullying
- Leave with character education lessons and activities that address core character traits like responsibility, respect, trustworthiness, fairness, caring & citizenship
- Learn strategies for dealing with students who bully, students who are victims of bullying, and the bystanders
- Learn program ideas that are currently being used in classrooms & schools.

Classroom Activities for Bullying & Character Education -  
**Middle & High School**

**Date/Location:**  
July 9 @ Hays, 1401 B Main Street OR  
July 11 @ Salina, SHLC, 830 S. 9th Street

**Presenter:** Noalee McDonald-Augustine  
**Time:** 9:00-3:30

One Hour Friends Credit if you attend on July 8 or 10, see the above Bullying & Character Education Make It & Take It, page 40.  
**Cost:** Charter $65; Associate $80; Non-SHESC $95

One component of the Kansas Anti-Bullying Bill is student curriculum and because of this, teachers are going to have to implement classroom lessons. This workshop will focus specifically on activities, lessons, and strategies that can be used in the classroom to meet this component of the law.

**OBJECTIVES:**

- Participate in hands-on activities and initiatives that enforce positive character for 6th through 12th grade

Continued
Classroom Activities, Cont’d from page 28

- Leave with bullying lessons that address cyberbullying, emotional bullying, physical bullying, and verbal bullying
- Leave with character education lessons and activities that address core character traits like responsibility, respect, trustworthiness, fairness, caring & citizenship
- Learn strategies for dealing with students who bully, students who are victims of bullying, and the bystanders
- Learn program ideas that are currently being used in classrooms & schools.

**Utilize PowerPoint & Internet Resources for Activities in YOUR Classroom!**

*Date/Location:* July 10 @ Hays, 1401 B Main Street  
*Presenter:* Jaye Ditter  
*Time:* 9:00-3:30  
*Cost:* Charter $65; Associate $80; Non-SHESC $95

Are you looking for new ways to utilize PowerPoint in your classroom? Searching for different ways for your students to learn and retain information being taught in class? Wish you could use technology-based instruction more in your everyday teaching? During this workshop, explore PowerPoint activities that you and your students can use to help enhance teaching and learning. Explore new and interactive Internet resources that can help your students improve their ability to learn and retain information hands-on! Internet resources will be cross-curricular, and the entire workshop will be hands-on! [Computers available will be PC platform; feel free to bring your own computer, if desired.]

**Hot Potato - No Longer a Game but an Instructional Technology Tool**

*Date/Location:* July 10 @ Salina, SHLC, 830 S. 9th Street  
*Presenter:* Pam Gaschler  
*Time:* 9:00-3:30  
*Cost:* Charter $65; Associate $80; Non-SHESC $95

Ever wish your lessons were integrated with technology to spark learning, increase student comprehension of content and make grading easier? If you said “yes” then spend the day learning to create web-based quizzes, cloze activities, word searches, matching games, jumbled word and column activities, ordered lists, and concentration activities. This session highlights use of two web-base tools: Quia and Hot Potato, to create quizzes and activities for classroom use. These are great tools to support teaching and review of state assessment indicators. You are encouraged to bring a laptop and unit materials with you.

*It is not the strongest of species that survive, nor the most intelligent, but the one most responsive to change.*  
*Charles Darwin*
Get ready for a career day adventure—SAFARI-Expo 2008 is coming!

Join students from around the state to learn about fascinating careers in science and enjoy amazing animals from around the world!

What is SAFARI-Expo?
SAFARI-Expo is an opportunity for high school students and 8th graders to learn about careers in science through observation, questioning, and hands-on activities with representatives from these fields of study. Past exhibitors have included veterinarians, taxidermists, wildlife biologists, meteorologists, outdoor photographers, zoo professionals, conservation managers and many others. With Rolling Hills Wildlife Adventure as the setting, there also will be many up-close opportunities to learn about rare and endangered species from around the world.

Who? Grades 8-12 Kansas school students and sponsors. (Note: Must have one sponsor for every 10 students.)

When? Wednesday, September 24, 2008, 9:00 am.-1:00 p.m. (Park is open until 5:00 p.m. for touring. For an additional $2/person, the Museum will open at 1:00 for those wishing to tour this fantastic facility.)

Lunch? Lunch and snacks will be on your own. We encourage schools to bring sack lunches. There is a picnic facility adjacent to the parking lot where participants may eat. Except for this picnic area, no food or drink may be brought into the Wildlife Adventure. The Overlook Restaurant at the Wildlife Adventure will be open for those who do not want to bring sack lunches. Please call for a menu.

SAFARI-Expo Veterans. Everyone is welcome at SAFARI-Expo 2008. Each year brings new exhibitors and new ideas from returning exhibitors. Virtually any student could benefit from the opportunity to learn first-hand from professionals in a hands-on environment.

SHESC & Rolling Hills Wildlife Adventure recognize COX Communications as the exclusive Corporate Sponsor.

Costs
$4 per student
$2 per sponsor/driver (Must have one sponsor for every 10 students)
$2 per person (optional cost to tour the Museum) - must be paid in advance and included with the above costs.

Payment & Registration
Space is limited to 300 students per session on a first-reply basis. Registration will be accepted after September 10th if space is available. Make P.O. or checks payable to SHESC and send with your registration form.
Should SAFARI-Expo be cancelled because of inclement weather, refunds will occur. No other refunds will be made.

Questions? For more information on SAFARI-Expo, call Smoky Hill Education Service Center, 785-825-9185.

MORE INFORMATION TO FOLLOW IN FALL 2008.
Safari Edventure Day is a one-day special event designed to increase students’ appreciation and understanding for various fields of science and the many cultures around the world!

**Safari Edventure Day Background.**
Smoky Hill Education Service Center, Rolling Hills Wildlife Adventure and Wildlife Museum and COX Communications are proud to host an educational special event, Safari Edventure Day. This is one of five Safari Edventure Days being held at various locations throughout Kansas on or around this time making this event one of Kansas’s largest one-day educational efforts.

**Event Logistics:**
- Approximately 1000 students from across central and western Kansas have the opportunity to attend Rolling Hills Wildlife Adventure for this event.
- The Wildlife Edventure will be broken down into four areas with each area hosting workshops for a particular age group: K & 1st, 2nd & 3rd, 4th & 5th, and 6th & 7th. Each section will contain numerous 20 minute workshops.
- Workshops will be held for small groups of approximately 25 students.
- Each group of students will participate in five to six workshops.
- Rolling Hills Wildlife Adventure and Smoky Hill Education Service Center will develop a schedule for each school group to follow.
- School groups are guided throughout the day by “Classroom Buddies”.
- All workshops will focus on science and/or culture.

**Who?**
Grades K-7 students and sponsors.
(Limit one sponsor per every 10 students.)

**When?**
Friday, October 3, 2008
10:00 am.-2:00 p.m.
(Park is open until 5:00 p.m. for touring)

**Where?**
Rolling Hills Wildlife Adventure in Salina, Kansas.

**Lunch**
Lunch and snacks will be on your own. The Wildlife Adventure restaurant, The Overlook, will be open for business. We encourage you to bring sack lunches and drinks. There is a picnic facility adjacent to the parking lot where participants may eat sack lunches. Except for this picnic area, no food or drink may be brought into the Zoo.

**Costs**
$4 per student
$2 per sponsor/bus driver (must have one sponsor for every 10 students)
(Optional) $2 extra per person to tour Museum at 2 p.m.

**Payment & Registration**
Registrations will be accepted after September 19th if space is available. Make P.O. or checks payable to SHESC. No cancellations or refunds unless Safari Edventure Day is cancelled.

**Questions?**
For more information on Safari Edventure Day, call the Smoky Hill Education Service Center, 785-825-9185.

Be ready to schedule this event when it is announced again in Fall 2008.
Learn360 Digital Media Training
Dates/Locations:  July 10 @ Salina, SHLC, 830 S. 9th Street OR
July 11 @ Hays, 1401 B Main Street
Presenter:  Chris Moddlemog
Time:  9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Learn360: the newest media-on-demand service which allows subscribers to stream or download thousands of video clips and other K-12 educational media. Searchable by keyword, subject, grade level, state standard, media format, and more. Learn how this resource can be used by teachers and students in a variety of teaching and project ideas. In addition to learning how to access media, participants will also have time to evaluate content, develop lesson plan ideas, and create playlists. Participants are encouraged to bring their own laptops. However, SHESC will provide one if requested at the time of registration.
NOTE: This session is designed for teachers in districts that have subscribed to Learn360 or that plan to do so for the 2008-2009 school year.

What’s Going On In Their Heads??
Dates/Locations:  July 14, 15 @ Salina, SHESC, 605 E. Crawford
Presenter:  Denise Brown
Time:  9:00-3:30
Credit: One Hour of Friends Credit if you attend both days.
Cost: Charter $130; Associate $145; Non-SHESC $160 [Includes materials.]
It’s the question we’re always asking when what we teach and what students produce seem to be a mismatch! Based on Choice Theory and Ruby Payne’s Learning Structures, you will gain practical strategies for reaching our most at-risk! In this two-day workshop, you will:

- Discover the five basic needs we share with our students (and how this affects learning and behavior)
- Learn ways to re-frame instruction for a win-win situation
- Explore the mental models that make learning stick, especially for students from poverty!
- Create mental models you can use right away in your classroom next fall
- Network with colleagues and have a lot of fun learning!
Bullying & Character Education Resources Day

Dates/Locations:  July 15 @ Salina, SHESC, 605 E. Crawford OR
                July 17 @ Hays, 1401 B Main Street

Presenter:  Noalee McDonald-Augustine
Time:  9:00-3:30  Cost: Charter $75; Associate $90; Non-SHESC $105
[Includes extensive materials and resources.]

This workshop will introduce participants to various K-12th grade bullying prevention and character education programs, resource, and curriculums available. Each program will be identified based on grade level served, ease of implementation, cost, additional resources needed, and whether the program is researched based. Participants will be able to examine the different curriculum materials and will be provided with literature about each resource.

On Common Ground: Improving Classroom Writing Instruction and the Kansas Writing Instrument

Dates/Locations:  July 15 @ Hays, 1401 B Main Street OR
                July 22 @ Salina, SHLC, 830 S. 9th Street

Presenter:  Matt Copeland—KSDE Writing Consultant
Time:  9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

This presentation provides updated information and materials on a number of topics centered on the teaching of writing: elements of an effective writing program and an effective writing classroom; strategies for teaching writing, revision, and the 6-TRAIT model; teaching students to write with purpose, audience, and context in mind; making time for writing instruction in the classroom; and information on changes made to the 2008-2009 Kansas Writing Assessment. Ready-to-copy handouts and examples will be provided to help transform your teaching and create more authentic writing experiences for your students.

Meet Matt Copeland, the Writing Consultant for the Kansas State Department of Education. He is a sixth generation teacher, a former English teacher and department head at his alma mater, Washburn Rural High School in Topeka, Kansas. Matt has been recognized as the 2006 Distinguished Kansas of the Year in Education, 2005 Milken National Educator, and 2003 Kansas Master Teacher. A frequent presenter at local, regional, and national conferences, he has published several books, essays, and poems on the teaching of English. He also serves as an officer and executive board member of the Kansas Association of Teachers of English.
Secondary Math—A Problem Solving Focus [7-12]

Date/Location: July 16 @ Salina, SHESC, 605 E. Crawford
Presenter: Ethel Edwards
Time: 9:00-3:30
Cost: Charter $130; Associate $145; Non-SHESC $160

Participants will use an instructional approach that combines the Kansas Curricular Standards for Mathematics, Polya’s 4-step problem solving process, vocabulary and comprehension strategies, and writing to solve and explain mathematics problems. The vocabulary and comprehension strategies will include the Frayer Model, Know-Want to Know-Learn, and graphic organizers. Participants will want to bring their textbook(s) as a reference.

With over 30 years of experience that included teaching middle school language arts and math, working as an elementary library media specialist, and serving as high school assistant principal, Ethel is currently the Director of Curriculum and Instruction in Mathematics for the Topeka Public Schools. She has worked at the Kansas State Department of Education as the coordinator of Title I school-wide programs and the comprehensive school reform demonstration program and as the consultant in mathematics education.

Signs & Symptoms of Drug Use

Date/Location: July 16 @ Hays, 1401 B Main Street OR
July 25 @ Salina, SHESC, 605 E. Crawford
Presenter: Noalee McDonald-Augustine
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One Hour of Friends credit if you attend the School Health and Nutrition Activities & Lesson Plans. [Page 15]

Drugs & Alcohol are not new issues that our students face. However, the look, choice, and slang of drugs available and used by our students change every day. It is essential that school personnel keep up and educate not only themselves, but their fellow staff and fellow students. This workshop will help participants identify and recognize drug use and abuse, and will also look at policies being implemented to test for usage and other screening tools staff members can use.

The objectives are as follows:

OBJECTIVES:

- Learn about Drug Awareness and Identification
- Understand the Signs & Symptoms of Drug Abuse
- Identify the Risk Factors
- Learn the Social Implications and Impact on the Family
- Identify and Evaluate School Policies
- Identify and Evaluate Usage Tests and Screening Tools
- Leave with Referral Sources
What's This Facebook & MySpace Thing?

Date/Location: July 17 @ Salina, SHLC, 830 S. 9th Street OR July 31 @ Hays, 1401 B Main Street

Presenter: Jaye Ditter
Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

You’ve heard your kids talk about it. You’ve wondered about it. Now, come learn about it! Facebook and MySpace, two mainstream, online communication tools utilized by millions of students around the world seem to be the latest crave for young students. We will explore the various components to each program and look in-depth as to what information your students or children may be sharing online! During this training, we will set up user accounts, explore the ins and outs of the program, and answer questions concerning online communication tools. (Computers available will be PC platform; feel free to bring your own computer, if desired.)

Digital Storytelling

Date/Location: July 21-22 @ Hays, 1401 B Main Street OR July 24-25 @ Salina, SHLC, 830 S. 9th Street

Presenter: Linda Loder
Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
One Hour Friends Credit available if you attend both days at either location.

Bring your laptop and imagination! Digital Storytelling - merging the art of storytelling with digital technologies and bringing stories to life—an enriching way to encourage students and teachers to reach new heights in literacy. Digital Storytelling is reading, writing, and creativity, leading to demonstrating at high levels. You are encouraged to bring your own set of digital pictures on your laptops, either personal or school related—a new baby or grandchildren pictures, family vacations, classroom photos or a visit to the zoo. They will be used to put together your first digital story. Be prepared to be engaged and have fun with this wonderful medium. We will not only create stories, we will also explore ideas to use in your classroom, and how to easily share your stories on the Web.
Back to Basics!

Dates/Locations: July 23-24 @ Salina, SHESC, 605 E. Crawford
      July 23 @ Hays, 1401 B Main Street
Presenter: Denise Brown
Time: 9:00-3:30
Credit: One Hour of Friends Credit if you attend both days.
Cost: Charter $130; Associate $145; Non-SHESC $160 [Includes materials.]

Strategies and programs abound, but what does it really take for students to succeed in reading and math? Join Denise Brown for “Back to Basics”, a quick two-day trip through the non-negotiable elements for elementary and older struggling learners. You will leave with:

- SBR strategies for tackling the Big 5 in reading [and really understand what they are]
- The ability to use DIBELS to make instructional decisions that will allow you to pinpoint the missing pieces that are keeping a child from reading
- An understanding of the hierarchy for teaching math computation to students
- A trick that will keep kids from ever having to “borrow” for subtraction again!
- Ideas from your colleagues and much more!

Career Planning: Using the Develop Your Future I & II Curriculum

Date/Location: July 22 @ Salina, SHESC, 605 E. Crawford OR
      July 23 @ Hays, 1401 B Main Street
Presenter: Noalee McDonald-Augustine
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

Are you using the Kansas Career Pipeline? Are you looking for innovative lesson plans for career planning? Then let us introduce Develop Your Future I & II. Using the theme of photography, it asks students to think of their lives as a personal picture album with them having the power to determine how future pictures will look. Through a series of modules, students are challenged to focus on themselves and the world of work and learn about the different lenses and filters that could be used to create their future images. Experimental activities called snapshots are used to help students understand the process. The middle school component has nine modules and the high school component has 12 modules.
Cyber Bullying & Cyber Threats

Date/Location: July 24 @ Salina, SHLC, 830 S. 9th St.
Presenter: Noalee McDonald-Augustine
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One hour of Credit [attached to Mean Girls, page 13].

Technology has offered students many positive benefits, but it has also created a new avenue for bullying. E-mails, instant messaging, cell phones, web pages, web logs, and chat rooms are the latest tools used to bully for many reasons. They can be used anonymously, they can be accessed 24/7, they reach mass audiences, and students often are more technologically savvy than their teachers and parents. All of these factors provide for increased levels of aggression, leaving victims even more fearful.

This workshop will address the various ways technology is used to bully; short- and long-term effects; school-wide and classroom strategies; strategies to empower victims and bystanders; strategies for parents; legality issues; and available resources. This workshop will also address the overall safety issues of youth on the internet including personal information and sexual predators.

Participants are encouraged to bring a laptop. If you need to use one of ours, please let us know when register.

Thinkfinity - A Useful Resource and Time to Explore for Elementary Teachers, [K-6]

Date/Location: July 24 @ Hays, 1401 Main Street
Presenter: Judy Nold
Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One Hour of Friends credit if you attend this workshop & Google Tips & Tools, pg. 14.

Thinkfinity is designed to improve education and literacy achievement. It has been voted the best site for free lesson plans and also contains many interactive links to use in all subject areas. You will have time to explore this awesome resource so that you can be ready for a new school year with some innovative new ideas. Judy Nold is a Master Trainer for Thinkfinity.
Thinkfinity—A Useful Resource & Time to Explore for Middle School & High School [7-12]

Date/Location: July 25 @ Hays, 1401 B Main Street
Presenter: Judy Nold
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One Hour of Friends credit if you attend this workshop & Google Tips & Tools, pg. 14.

Thinkfinity is designed to improve education and literacy achievement. It has been voted the best site for free lesson plans and also contains many interactive links to use in all subject areas. You will have time to explore this awesome resource so that you can be ready for a new school year with some innovative new ideas. Judy Nold is a Master Trainer for Thinkfinity.

Moodling in the Classroom—Useful Ways to Moodle

Date/Location: July 28 @ Salina, SHLC, 830 S. 9th Street
Presenter: Judy Nold
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95

Have you heard about Moodle? The word “Moodle” is an acronym for Modular Object Oriented Dynamic Learning Environment. But that really doesn’t tell you much, does it? Moodle is really a course management system that allows teachers to manage classes, assignments, activities, quizzes, tests, resources and possibly more in a completely accessible online environment. Teachers and students can log on and work any place or any time. Come explore Moodle and discover some useful ways to put it to work in your classroom.
**Smoky Hill PowerSchool Users’ Group**

**Date/Location:**  
July 28 @ Salina, SHLC, 830 S. 9th Street OR  
July 29 @ Hays, 1401 B Main Street

**Presenter:** Chris Moddlemog  
**Time:** 1:00-3:30 [all dates]  
**Cost:** Charter $100; Associate $115; Non-SHESC $130

First of a four part series, the Smoky Hill PowerSchool Users’ Group will be a forum for people who use PowerSchool as a student information management program. Members of the group will meet throughout the year to discuss common issues, solve problems, develop strategies, and share resources. Topics that will be addressed include use set-up, security, PowerGrade, end of term procedures, PowerScheduler, reports, the end-of-year process, upgrades and more.

Participants will also have access to PowerSchool resources available on the Smoky Hill web site. Wireless access will be available for participants who bring laptop computers.

**FUTURE DATES:**

Salina: October 2, 2008; February 25, 2009 and May 27, 2009  
OR  
Hays: October 9, 2008; February 26, 2009 and May 28, 2009

---

**Annual PDC Training**

**Dates/Locations:**  
July 29 @ Branding Iron, 1310 St. Street, Phillipsburg OR  
July 30 @ Concordia, USD #333 BOE, 219 W. 7th OR  
July 31 @ SHESC, 605 E. Crawford OR  
Aug. 1 @ Hays, 1401 B Main Street

**Presenter:** Marty Christie  
**Time:** 9:00-Noon  
**Cost:** Charter $30; Associate $30; Non-SHESC $45

This Annual PDC Training is required by Kansas Regulation 91-1-217. The revised Kansas Inservice Program and the Kansas Licensure Program both took effect July 1, 2003. As a result, the new Inservice Regulations required an annual training for Professional Development Councils. This session will fulfill that requirement. Each district should have at least one PDC member and any new members attend the annual update.

Topics include: Inservice Regulations; How PDC’s interact with the new Kansas Licensure System; the Weighted Point System; Criteria for Quality Staff Development and other topics related to PDC’s. Time will be allotted for participants to ask questions.
Bullying & Character Education Make It Take It

Date/Location: July 29 @ Salina, SHESC, 605 E. Crawford OR
                Aug. 4 @ Hays, 1401 B Main Street
Presenter: Noalee McDonald-Augustine
Time: 9:00-3:30
Cost: Charter $75; Associate $90; Non-SHESC $105

This hands-on workshop provides the opportunity to create the games and activities presented in the Classroom Activities for Bullying & Character Education Workshops, as well as look through other lessons and activities not presented. Resources and materials will be available to assist participants in creating effective classroom tools. Come ready to have fun, be creative, and get energized.

Objectives:

➢ Match Activities to each Developmental Level
➢ Leave with K-12th Grade Games and Activities
➢ Share Ideas and Resources
➢ Understand the Importance of Character Education and Bullying Intervention

DIBELS I

Dates/Locations: July 30 @ Salina, SHESC, 605 E. Crawford
Presenter: Mary Beth George
Time: 9:00-3:30
Cost: Charter $65; Associate $80; Non-SHESC $95
Credit: One hour of Friends Credit if DIBELS II is completed in the fall.

DIBELS are powerful, brief, and easy-to-implement measures of the critical skills that underlie early reading success. Its purpose is to catch students at risk, so that appropriate instruction and intervention can be determined before reading failure sets in. DIBELS is one of the required assessments in the Kansas Reading First Grant and used by reading professionals through the United States to guide instruction. DIBELS indicators have been designed to directly measure:

● Letter Knowledge
● Letter - sound association
● Phonemic awareness
● Syllable decoding
● Passage reading fluency
● Passage retelling

This workshop will focus on the mechanics of giving this assessment. One credit hour will be available if DIBELS II is completed this Fall in correlation with this workshop.
Bullying 101 for Classified Staff

Dates/Locations: July 30 @ Hays, 1401 B Main Street OR July 31 @ SHESC, 605 E. Crawford
Presenter: Noalee McDonald-Augustine
Time: 9:00-Noon OR 1:00-4:00, either site
Cost: Charter $40; Associate $55; Non-SHESC $70

Whether you want to admit it or not, bullying happens every day and it does not just happen in the classroom. In fact, the research tells us that often it happens in the cafeteria, locker rooms, bathrooms, hallways and on the bus. Today, more than ever, it is essential that all staff members work together to develop a disciplined environment where learning can take place. This workshop will specifically address how classified staff members recognize and deal with bullying incidents that they witness.

OBJECTIVES:
1. Learn the Specific Bullying Issues that Classified Staff needs to be aware of
2. Gain Awareness of who the Bullies, Victims, and Bystanders are
3. Understand the Difference between Direct, Indirect, and Cyber Bullying
4. Explore Intervention Methods for Bullying Behaviors

iPod for WHAT? In MY Classroom??

Date/Location: July 31 @ Salina, SHLC, 830 S. 9th Street OR Aug. 8 @ Hays, 1401 B Main Street
Presenter: Judy Nold
Time: 9:00-Noon
Cost: Charter $40; Associate $55; Non-SHESC $70

So, your students are bringing their iPods to class and telling you they did their homework on it! Now what?? This workshop will offer to you a crash course on using iPods in the classroom. We will also explore classroom use and the management of the technology tool.

BAIP - Let’s Get Ready for the New School Year

Date/Location: Aug 4 @ Salina, SHLC, 830 S. 9th Street, Salina
Time: 9:00-noon OR 1:00-4:00
Presenter: Judy Nold
Cost: Charter $40; Associate $55; Non-SHESC Member $70

This workshop will provide an overview of BAIP [Blending Assessment with Instruction Program for Math], update you on any new information to the site, and give you time to set up and get ready to use BAIP in the new school year. It would be helpful to bring your class information [including state assessment numbers]. For those who have not yet used BAIP, this class will provide you with the help you need to get started.
Evaluating Your School Crisis Plan -
What Changes Do You Need To Make?

Dates/Locations:  Aug. 5 @ Salina, SHESC, 605 E. Crawford OR
Aug 6 @ Hays, 1401 B Main St.

Presenter: Noalee McDonald-Augustine
Time: 9:00 - 3:30
Cost: Charter $65; Associate $80; Non-SHESC $95; Crisis Consortium
Members $55

A crisis is a situation which is unexpected and uncontrollable. Many times, the
way you handle a crisis can be more damaging to the situation than the crisis
itself. Are you ready for your next crisis? Is your crisis plan up-to-date and does it
use best practice strategies? This workshop will provide best practice strategies
for the four phases of crisis management: Mitigation/Prevention; Preparedness;
Response; and Recovery. Then participants will evaluate the crisis plans brought
by the participants based on a rubric that will be provided. Participants will then
have an opportunity to review the evaluations, ask specific questions about their
plan, and have time to make needed revisions.

Participants need to bring a copy of their crisis plan. Districts are also encour-
age to send their crisis team, and not just one individual.

AAA Driver Improvement Program

Date/Location:  Aug 5 @ Hays, 1401 B Main Street
Time: 8:00-4:00
Presenters: Allen Bachelor
Cost: Charter $65; Associate $80; Non-SHESC Member $95

This course is designed to meet the defensive driving requirement for all Kansas
school bus drivers; regular route, substitute, and activity. This eight-hour AAA
Driver Improvement Program will certify the participant for three years and may
reduce the insurance premium on their private vehicle.

Medic First Aid

Date/Location:  Aug 6 @ Salina, SHLC, 830 S. 9th Street
Time: 8:00-Noon
Presenters: Allen Bachelor
Cost: Charter $100; Associate $115; Non-SHESC Member $130
Price Includes course materials.

This training is designed to provide the minimum knowledge necessary for a first
aid provider to initially manage a medical emergency. Students will learn how to
better recognize a medical emergency, overcome any hesitations in deciding to
help, identify hazards and ensure personal safety, activate the Emergency
Medical Services [EMS] system, and provide supportive basic first aid care for
seriously ill or injured children, infants, and adult patients.
Words + Audience = Literacy—Using Blogs & Podcasts in the Classroom

Dates/Locations:  Aug 6-7 @ Salina, SHLC, 830 S. 9th Street
                 Aug. 11-12 @ Hays, 1401 B Main Street

Presenter: Linda Loder
Time:  9:00-3:30 each day
Cost: Charter $125; Associate $155; Non-SHESC Members $185
Credit: One hour of Friends credit IF YOU ATTEND both days.

People all around the world have discovered the magic of AUDIENCE through Web 2.0. Blogging and Podcasting have become universal tools of communication, and your students gravitate towards these exchanges of communication. Today’s students live, work, and play in a vastly different environment full of rich media and resources that were not available even ten years ago to most of us. To these students, words in text sometimes seem to just “lie dead on the page” and fail to engage them in the deep thinking we want them to experience.

In this workshop, learn how to make Literacy come alive to your students by using the written and spoken word combined with easy-to-use, engaging technology applications. Blogging and Podcasting are free, interactive, fun - and the audience created will engage your students in wanting to improve performance and thus to improve literacy. Bring your own laptop, or ask to use one of ours at the time you register, and be prepared to be engaged!

Technology Plan Assistance Training

Date/Location:  Aug 7 @ Hays, 1401 B Main Street
Time:  1:00-3:00
Presenter:  Jaye Ditter
Cost:  NOTE: Districts for whom we do e-rate applications may attend this meeting at no charge. Districts for whom we do not help in applying for e-rate may attend at a $60.00 per person charge.

Is your district’s state technology plan due for revision this upcoming school year? If so, this training is for you! We will cover the state writing plan rubric, explore the online technology portal through KSDE and answer preparation questions regarding your tech plan. This training is most beneficial when your entire tech team can attend! This is not required, but it is recommended! Please bring along a copy of your current approved technology plan.

We hope to see you there. If you have questions, contact Jaye Ditter at our Hays office.
Utilize PowerPoint & Internet Resources for Activities in Your Classroom! Elementary

Date/Location: Aug 12 @ Salina, SHLC, 830 S. 9th Street
Time: 9:00-3:30
Presenters: Jaye Ditter
Cost: Charter $65; Associate $80; Non-SHESC Member $95

Are you looking for new ways to utilize PowerPoint in your classroom? Searching for different ways for your students to learn and retain information from class? Wish you could use technology-based instruction more in your everyday teaching? This workshop will explore PowerPoint activities that both you and your students can use in the classroom to help enhance teaching and learning. Explore new and interactive Internet resources hands-on! These resources will be cross-curricular. Available computers will be PC platform; feel free to bring your own!

AAA Driver Improvement Program

Date/Location: Aug 7 @ Salina, SHLC, 830 S. 9th Street
Time: 8:00-5:00
Presenters: Allen Bachelor
Cost: Charter $65; Associate $80; Non-SHESC Member $95

This course is designed to meet the defensive driving requirement for all Kansas school bus drivers; regular route, substitute, and activity. This eight-hour AAA Driver Improvement Program will certify the participant for three years and may reduce the insurance premium on their private vehicle.

Sport First Aid [Rule 10]

Date/Location: Aug 15 @ Salina, SHLC, 830 S. 9th Street
Time: 6:00 p.m.-10:00 p.m.
Presenters: Allen Bachelor
Cost: Charter/Associate $125; Non-SHESC Member $150
Includes text book and course materials.

This course will teach coaches how to prevent sports injuries and how to make the correct decisions during on-field emergency situations. The focus is on first-response evaluation and treatment before the arrival of emergency medical personnel.
Fast ForWord
New Coach Training:
DAY ONE

This comprehensive workshop is for participants new to the coaching aspect of Scientific Learning’s Fast ForWord program. A study of the Fast ForWord program will be covered. Day Two training will be scheduled in the Fall of 2008.

For more information, contact Mary Beth mgeorge@smokyhill.org or call 785-825-9185.

Mark your calendar for August 8, 2008, 9:00-3:30.
...to learn more about Achieve3000!

How are YOU implementing Differentiated Instruction?

Achieve3000 is the leader in Differentiated Instruction using expository reading material. Their solutions increase reading comprehension, vocabulary building, and writing proficiency. These solutions are:

- Based on decades of scientific research
- Correlated to Kansas Standards
- Solutions that have resulted in dramatic gains on high stakes tests for students

Achieve3000’s philosophy is simple: Teaching students one-on-one, at their level, is one of the most powerful ways to help them reach their maximum potential. The programs include:

- **An online Lexile assessment tool** for initial student placement.
- **Blooms Taxonomy** threading.
- **Daily nonfiction reading content that is precisely and scientifically matched to each students reading ability.** English—Partial Spanish and Full Spanish versions.
- **Access that allows students to invest in more productive time on task.** 70% of our students invest their own time using the program after school and in library settings.
- **Easy reporting and management for teachers.** A powerful assessment package—including formative and summative assessments—places ongoing diagnostic and performance data at the teacher’s fingertips.

For more information, please call 785-825-9185 or contact Larry Patrick, lpatrick@smokyhill.org or Mary Beth George, mgeorge@smokyhill.org to learn more about this new and innovative program!
RESOURCES LOAN LIBRARY

Did you know...the SHESC Resource Library has free resources available for you to borrow and we even deliver to your building bi-weekly?*

See what’s available for check-out from the Resource Library by visiting the Smoky Hill ESC website at www.smokyhill.org or call Susan at 785-825-9185.

1. Log onto www.smokyhill.org. Click on “Our Library.”
2. If you have a patron barcode and password go on to step 3. If you do not, click on “1st Time User Registration” and email the requested information.
3. Click on “Search Library.”
4. Click “Log In” and enter your patron barcode and password.
5. Type in a word, title or author in the “Search For” box and click “All Words.”
6. If you see an item you are interested in, click on the title.
7. If the item is available that you want or it is out and you would like to receive it when it is returned, click on “Place Hold.”
8. If you would like the item for a specific date in the future, click on “Place Reservation” and enter the start date and end date. The normal check-out period is four weeks. New items are only available for two weeks.
9. Your order is placed! Your order should arrive via the SHESC delivery van to your school's office. *

* The Concordia and Salina schools are serviced through their own internal mail system.
Please register two weeks in advance of the Inservice (unless otherwise stated in description) to avoid a $5 late fee. You may return this form, phone or email your registration. District will be billed unless cancellation is received two business days prior to workshop date. If you need special assistance, please let us know! We reserve the right to cancel one week prior to the Inservice if there is insufficient participation.
