Goals

Share strategies or improvements that could be implemented in any school in Kansas, regardless of school size or region.

Our goal is for all attendees to leave with the tools to implement the innovative ideas shared at the conference.

Building Relationships

Taking Risk

Empowering Students

Including all Stakeholders

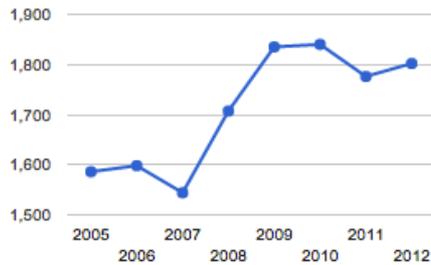

Our School's Data Reports

Topeka High School Free and Reduced Lunch Assistance

Outer ring represents school district

	School	District*
Free Lunch Eligible	1,023 (57%)	2,127 (55%)
Not Eligible	586 (33%)	1,288 (33%)
Reduced-Price Lunch Eligible	193 (11%)	442 (11%)

* School District values based on schools that reported lunch assistance data

Topeka High School is ranked **6th** out of 0 ranked schools in Kansas, for total students on lunch assistance.

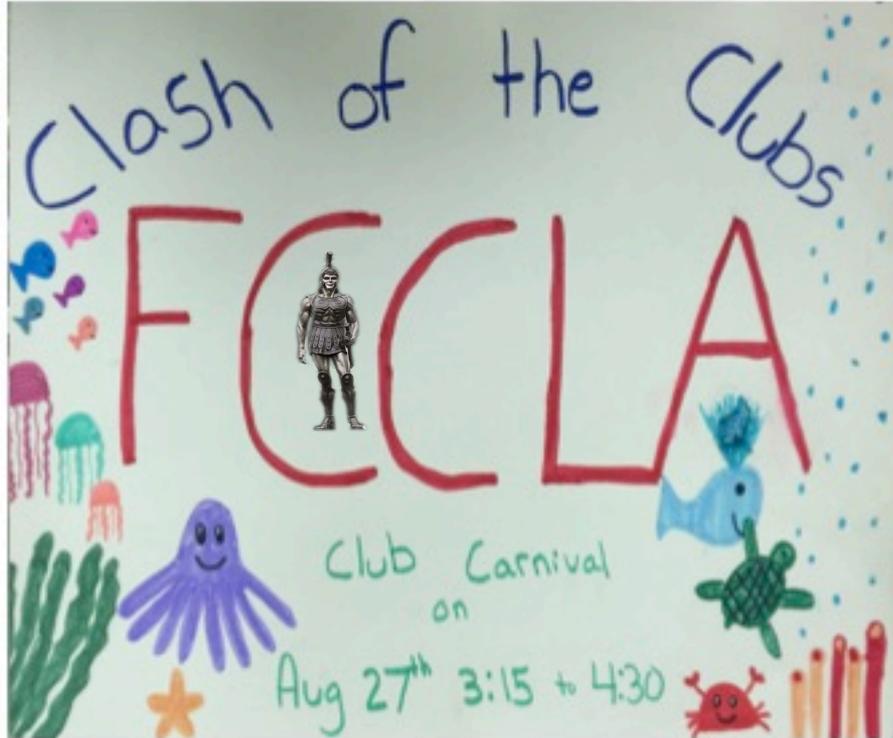

The percentage of Topeka High School students on free and reduced lunch assistance (**67.5%**) is **significantly higher** than the state average of **43.1%**. This may indicate that the area has a **higher level of poverty** than the state average.

Students at a participating school may purchase a meal through the National School Lunch Program. Families with incomes **between 130% and 185%** of the federal poverty level are eligible for reduced price meals. Schools may not charge more than 40¢ for reduced-price lunches, nor more than 30¢ for reduced-price breakfasts. Students from families with incomes at or below **130%** of the federal poverty level are eligible for free meals.

For 2014, a family of two needs to make an annual income below **\$20,449** to be eligible for free meals or below **\$29,100** for reduced price meals. A family of four needs to make an annual income below **\$31,005** for free meals or **\$44,122** for reduced price meals.

If you can establish trust where every single person feels that they are part of a team, and have a chance to contribute, you've created a situation where people can do great things. #Lesson4

Lead2Feed Certification

Lead2Feed is excited to announce the Lead2Feed Certified program. Qualifications are listed below. We invite Schools and Youth Clubs to participate each year – during the school year and summer – and we will track your progress. Each Fall we will designate new Lead2Feed Certified Schools and Clubs.

LEAD2FEED STUDENT LEADERSHIP PROGRAM	Qualifier
Principal or Youth Club Director Support	Principal or Youth Club Director completes and signs support statement.
Registration & Participation	A) Two or more teachers/advisers from a school or youth club register and complete project according to Challenge Rules OR B) One teacher/adviser teaches Lead2Feed to an entire grade level or youth organization, registers and completes a project
Project Submission	Groups from participating school or site must submit completed project(s)
Two years in the program and beyond	Certified after projects from 2 teachers/advisers or more OR participation from a full grade level completed for two years in a row. Certification stays active as long as school or site participates each year.

How did we do?

Open discussion will be encouraged to share and discuss ideas and document with open resources about how other organizations are building community relationships that enhance CTE programs.
