ABOUT GREAT PLAINS

Great Plains Manufacturing, founded in 1976, employs over 1,500 people worldwide. It encompasses five divisions: Great Plains Ag, which manufactures seedbed preparation, nutrient application, and seed placement equipment, and other farm implements; Land Pride, which manufactures grounds maintenance tools such as mowers, rototillers, rotary cutters, dirt-working equipment, and construction equipment attachments; Great Plains International, which sells the company's products worldwide; Great Plains Trucking, which operates a nationwide fleet of flatbed trucks; and Great Plains Acceptance Corporation, which finances the company's products. Great Plains Mfg., Inc., is headquartered in Salina, Kansas.
