

Smoky Hill Education Service Center & DreamBox

Why

Given the challenges that we're seeing affect our kids, Smoky Hill ESC and DreamBox have partnered to offer special access to research-backed online K-8 math support.

Bridge Gaps: In an independent Harvard University study, students using DreamBox's online math tools for just an hour a week can improve math scores nearly 60%.

What

Looking to improve continual learning next year?

DreamBox Special Smoky Hill ESC pricing (5% off)

Need assessment data, but can't do testing?

Early access to DreamBox Predictive Insights — assessment data without testing — for one year (must start by 6/30/2020)

Smaller school with a smaller budget?

Special smaller school pricing (37% off)

A young boy with dark hair and glasses is sitting in a wheelchair. He is wearing a bright green polo shirt and is looking towards the camera with a slight smile. In front of him is a silver laptop. The background is a stylized, colorful illustration of a city skyline with various buildings in shades of blue and green.

**My dream is to
build the future.**

Math is my tool.

DreamBox Overview

Top Facts

- Develop skills and close learning gaps fast
- Integrate assessment with instruction
- Support all your learners with personalized learning paths
- Empower educators with actionable data and reporting
- Over 2,000 fun, rigorous lessons aligned to Kansas Standards, used at 100+ schools across Kansas

Research-Backed Digital Math

DreamBox is the only K-8 digital math program shown to positively impact student outcomes by multiple independent research studies. In 60 minutes a week, scores on assessments increase 58%.

"My students absolutely love working with DreamBox. It is truly filling in the missing gaps for some students and stretching others beyond what I can do in the classroom!"

*Dani Kremer, Fourth Grade Teacher
Center Point Urbana Intermediate School*
