

Primo KN95 Protective Face Mask, Box of 20

By: [PrimoCare](#) Item#: 2039615  [Write a review](#)

Share:  [Print](#)

[Features](#) [What's in the Box](#) [Specifications](#) [Reviews](#)

Antibacterial-treated 100% cotton is a soft, cool material that does not irritate skin. Prevents inhalation of bacteria, smoke, and dust.

This product is a face mask and is not intended for use as a surgical mask, or for use to provide liquid barrier protection. The FDA recommends not using this product in a clinical setting where the infection risk level through inhalation is high. This product does not prevent, and should not be used as a treatment, for COVID-19. This product should not be used for particulate filtration. This product has not been FDA cleared or approved. The product has been authorized by FDA under an EUA for use as source control by the general public as well as by HCP in healthcare settings as to help prevent the spread of infection or illness during the COVID-19 pandemic. This product is authorized only for the duration of the declaration that circumstances exist justifying the authorization of the emergency use of medical devices, including alternative products used as medical devices, during the COVID-19 outbreak, under section 564(b)(1) of the Act, 21 U.S.C. § 360bbb-3(b)(1) unless the authorization is terminated or revoked sooner.
