

LITERACY SERVICES

Smoky Hill ESC provides a wide variety of literacy services aimed at training and supporting teachers, schools and districts with implementing quality and effective literacy instruction that meets the needs of ALL students.

Literacy Services include:

- **LETRS TRAINING**– Language Essentials for Teachers of Reading and Spelling. This training focuses on the elements of structured literacy and evidence-based practices teachers use as part of core/intervention.
- **DATA ANALYSIS** to guide instruction where the focus is on using data effectively to adjust instruction and to monitor student growth.
- Support in **ALIGNING** curriculum, assessment and instructional resources.
- Developing **TIERED SYSTEMS** of intervention.
- Specific training for each of the elements of **STRUCTURED LITERACY**: phonology, sound-symbol, syllables, morphology, syntax, semantics.
- **AUTHENTIC LITERACY** – evidence-based practices for reading, writing, speaking and listening.
