

The Kansas Department of Education and Smoky Hill Education Service Center are recognizing schools and districts that have developed and implemented an SECD initiative for at least one year and are transforming the school/district culture as well as growing student SECD skills. Initiatives can be a curriculum, program, practice, and/or interventions. Initiatives must support at least one of the SECD Standards strands (Character Development, Personal Development, or Social Development) AND support at least one of your building or district Kansas Education Systems Accreditation (KESA) goals.

A Promising Practice or Enhanced Spotlight initiative may not be used for this application. This initiative must be ongoing and implemented for at least one full year before submitting this application.

Was this initiative implemented in an individual school or district wide? _____

Student enrollment in your school or district: _____

Percentage or number of students participating in this initiative: _____

Grade levels targeted: _____

% of student population in the school or district that is eligible for free or reduced lunch: _____

1. Identify the SECD Standard(s) your school is currently supporting through your initiative.

Character Development Personal Development Social Development

2. Identify the building or district KESA goal that this initiative supports.

Applications

3. What is your district KESA goal(s) or Redesign goal(s) and how does this initiative support that goal?
4. Describe your initiative in 2500 words or less. Include how and why the initiative was developed and the frequency of engagement with students. Attach an additional page(s) with the description including your name and school.
5. How long has this initiative been implemented, including the start date?
6. What tools were used to measure the effectiveness of this initiative? What were your results?
7. How is the initiative affecting the climate and culture of the whole school?
8. Was there any community involvement and how were they involved, including frequency of engagement? Did you measure or evaluate community response or satisfaction?

Contact Name and Position: _____
