Smoky Hill Education Service Center and STOPit Solutions offer your district School Safety Programs & Social Emotional Learning Resources to help create safer, healthier school communities.

How the Anonymous Reporting System Works:

Step 1: Observe & Submit

Individual observes an incident or concern and submits it using the STOPit app, website, or telephone hotline

Step 2: Monitor & Escalate

STOPit 24/7/365 Incident Response Center monitors and escalates life threatening incidents to school officials and law enforcement (as needed)

Step 3: Manage & Resolve

School officials receive and act upon the incident using the STOPit admin app and/or web-based Incident Management System

STOPit provides comprehensive onboarding for program administrators AND training for students and staff on how to recognize safety, misconduct, and/or compliance concerns and how to use the STOPit Anonymous Reporting System.

How your District Will Benefit

- ⊕ **Create safer, healthier school environment** and culture for better learning … and, at an extreme, to save lives

- ⊕ **Over time, create "upstanders"** versus "bystanders" who take action to help their fellow student, staffer and administrator

- ⊕ **Build social and emotional skills** as well as reinforce compliance amongst students and staff of relevant, timely issues and concerns

What's Included:

✓ **Anonymous Reporting System (ARS)**: Anonymously report safety, misconduct, or other concerns to help others or oneself through mobile platform, web, or hotline. Assigned team members can gather information in real-time with STOPit Messenger (2-way anonymous chat).

✓ **Crisis Text Line (CTL)**: Students have 24/7/365 access to crisis counselors who are trained to move those in crisis from a hot to a cool place. CTL is integrated directly into the STOPit app and accessible from anywhere in the United States, anytime.

✓ **Out of Hours Incident Management (OOH)**: STOPit's Out-Of-Hours service allows individuals to rest easy knowing all incidents are reviewed, fully vetted, and acted upon (if necessary) by certified specialists over evenings, weekends, holidays, and other out-of-business hours.

✓ **STOPit SEL & Wellness Training Center**: Service provided include: professionally developed lessons on Mental Health and Social Emotional Learning (SEL) available directly within STOPit Admin. Help administrators manage issues effectively and give them helpful resources to share with students.

Optional (also available through the grant):

911-Direct Panic Alert: Instantly alert, inform and request help from staff and / or 911 for any emergency or non-emergency enabling faster responses, more effective actions, and better outcomes. Instant connection to your internal emergency team to alert for an unsafe conditions or emergencies.

Network & Device Surveillance: Scan, monitor, and filter devices, networks, and internet activity for signs of violent, unsafe, or harmful behaviors, and alerts school officials to intervene.
